

Istanbul Technical University ITU 7 – 9 September 2015

The International Conference on Smart Monitoring, Assessment and Rehabilitation of Civil Structures, SMAR 2015, will provide a forum for international scientists, engineers, enterprisers and infrastructure managers to present and discuss the state-of-the-practice and recent advances in testing and monitoring technology, in structural modelling and assessment methods, and in the application of advanced materials for structural rehabilitation. The conference will provide a platform for exploring the potential of international cooperation.

SMAR 2015 is the third conference supported jointly by the International Society for Structural Health Monitoring of Intelligent Infrastructure (ISHMII) and the International Institute of FRP in Construction (IIFC).
